THIRD SUBMISSION OF
REVOCATION OF POWER OF ATTORNEY WITH APPOINTMENT OF NEW
POWER OF ATTORNEY AND CHANGE OF CORRESPONDENCE ADDRESS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

On October 18, 2004, Applicant submitted a combined Revocation and Power of Attorney and Appointment of New Power of Attorney and Change of Correspondence Address (hereinafter "the Request") for 2 patents and 21 pending patent applications presently assigned to the Assignee of the instant application. The Request included a

listing of each patent and patent application for which the requested change should be made.

Applicant's current representatives checked the Patent Application Information and Retrieval (PAIR) system and noted that the electronic file wrappers for each of the applications for which the requested change was made includes a copy of the Request. However, of the 21 applications included in the initial Request, only 3 had the requested correspondence address change implemented. Thus, Applicants filed a Second Submission of Revocation of Power of Attorney With Appointment of New Power of Attorney and Change of Correspondence Address on February 3, 2005.

Once again Applicant's current representatives have checked the Patent Application Information and Retrieval (PAIR) system and note that the electronic file wrappers for each of the applications for which the requested change was made includes a copy of the Request. However, of the 18 applications included in the Second Request, only 2 had the requested correspondence address change implemented.

In the interim, correspondence from the U.S. Patent and Trademark Office continues to be sent to the previous correspondence address(es) of record, resulting in wasted time and effort on the part of several involved parties. As such, the Assignee of the above-referenced application once again requests that the Office please:

- **Revoke all previous powers of attorney in this application;**
 - **Appoint the practitioners associated with Customer Number 29906;**
- and
- **Change the correspondence address for this application to the address associated with Customer Number 29906.**

A copy of the Request that was submitted on October 18, 2004, which included a Statement under 37 CFR 3.73(b) from the Assignee, and a copy of the Second Request filed on February 3, 2005, are included herewith.

Respectfully submitted,
